MANAGEMENT DISCUSSION & ANALYSIS REPORT

Pursuant to Schedule V of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, a Management Discussion and Analysis Report covering performance and outlook is given below:

I. INDUSTRY STRUCTURE AND DEVELOPMENTS

The Indian lighting industry was witnessing strong growth. The replacement of basic and inefficient incandescent, halogen, fluorescent lamps with modern LED lights will reduce electricity consumption. However, due to the outbreak of COVID-19 not only the LED and Solar Industries but every sector of the global economy has suffered significant setback during the last quarter of the financial year. At the same time, the global pandemic led to a never expected growth in disinfection and sanitization sector. The Company did not let go of the opportunities coming its way and ventured into UV-C Disinfectant market considering it to be the need of the hour.

The global **UV disinfection equipment market** size is projected to grow from USD 2.9 billion in 2020 to USD 5.3 billion by 2025; it is expected to grow at a CAGR of 12.3% from 2020 to 2025. Key factors fueling the growth of this market include increasing demand for UV disinfection equipment due to threats of infectious diseases, and long life and lower power consumption of LED-based UV disinfection equipment.

“With the New Year’s, global citizens began to think about their goals and what they want to accomplish in the year to

come, many people focus on their finances, while others may be thinking about their health and relationships. However it didn’t turned up as planned by many though, it bought up the unforeseen challenge of survival. Amidst the elated mood the Company sensed the crises soon falling on us, the Research and Development team of the Servotech instantaneously struggled to find a solution to come out from this situation and found that with UV-C technology we can ensure our survival”.

- 1. Ultraviolet germicidal irradiation (UVGI)** is a *disinfection* method that uses short-wavelength *ultraviolet* (*ultraviolet C* or *UV-C*) light to kill or inactivate *microorganisms* by destroying nucleic acids and disrupting their *DNA*, leaving them unable to perform vital *cellular* functions. It is used in a variety of applications, such as food, air, and *water purification*.

UV-C light is weak at the Earth’s surface since the ozone layer of the atmosphere blocks it. UV devices can produce strong enough UV-C light in circulating air or water systems to make them inhospitable environments to microorganisms such as bacteria, viruses, molds, and other *pathogens*.

The application of UV-C to disinfection has been an accepted practice since the mid-20th century. It has been

used primarily in *medical sanitation* and sterile work facilities. Increasingly, it has found renewed application in *air purifiers*.

It was found that UVGI can be used to disinfect air with prolonged exposure. In the 1930s and 40s, an experiment in public schools in Philadelphia showed that upper-room ultraviolet fixtures could significantly reduce the transmission of measles among students. In 2020, UV-C is again being researched as a possible countermeasure against the *COVID-19 pandemic*.

Servotech, on the basis of the findings, launched its innovative game changing product Virus killing UV light with the motive to help the population in the hard times.

II. PRODUCT WISE PERFORMANCE

Servotech Power Systems Limited always strives to contribute for the betterment of the world we live in by providing high-quality product at affordable prices. The was in the business of manufacturing and installation of the Solar products and the industrial LED lights during the initial years and is well known in the field of Power and back-up industry. The Company manufactures a wide range of environment friendly products namely LED tube light, street light, flood light, canopy light, panel lights, bay lights, yard lights and solar products such as home lights, solar street lights, solar power plant/panel, solar pumping system and lithium batteries.

The Company recently ventured into UV Disinfectant segment wherein it introduced a series of various disinfectant products namely UV Disinfection Lamp, UV Disinfection Handheld, UV Disinfection Truck, Sterilization Box, UVC RoboTruk and UVLEN based on far UVC technology.

Brief glimpses of the some of the products of the Company are as mentioned below:

1. Oxygen Concentrator

An oxygen concentrator is a device that concentrates the oxygen from a gas supply (typically ambient air) by selectively removing nitrogen to supply an oxygen-enriched product gas stream for use by people requiring medical oxygen due to low oxygen levels in their blood.

It is a portable and cost-effective device widely used in hospitals. One of the major issues that COVID-19 patients start facing is the inability to breathe properly. Therefore, oxygen concentrators can be helpful in providing best possible oxygen supportive care. Some other benefits of Oxygen Concentrators include improved physical exercise tolerance, improved quality of sleep, and enhanced mental alertness.

2. UV-C DISINFECTANTS

This UV-C sanitizer technology can be used to thoroughly clean household surfaces and gadgets of harmful bacteria and viruses as it destroys the DNA of bacteria and viruses. Considering this, we have launched 6 (six) disinfectant products the details are as mentioned hereunder:

- a) **UV DISINFECTION LAMP:** ServControl disinfection lamp comes with in-built sensor which automatically turns off if comes in contact with any human or pet and turns on using smart senses.
- b) **UV DISINFECTION HANDHELD:** ServControl UVC handheld is portable and easy to use as this is rechargeable, USB powered. It is a perfect disinfectant during holiday or any business trip.
- c) **UV DISINFECTION TRUCK:** ServControl UV disinfectant truck is built with the universal wheels to move around the zone to be disinfected. The device comes with a user-friendly remote control with options ranging from start to stop and to set the timer.
- d) **STERILIZATION BOX:** ServControl UV-C Sanitizer Box makes it possible to destroy more than 99.9 percent of bacteria and viruses with multifunctional wireless charger abound without the use of chemicals, not causing secondary pollution, thus protecting your family with the innovation.
- e) **UVC ROBOTRUK:** UVC RoboTruk, a sterilization lamp for big spaces with radar induction for human safety. It has a wireless remote control for you to operate the trunk from a safe distance, with 30 secs auto-delay.
- f) **UVLEN:** UVLEN sanitizes the surface in few seconds by simply pointing it at your hands, utilizing your

smartphone flashlight combined with the Mobile App. With this technology Ultraviolet Germicidal Irradiation coat + Diffraction Grating splitting white beams combined with a dichroic mirror filter built with Fused Silica Amorphous; let certain colors of light through while reflecting others.

3. SOLAR LIGHTING SEGMENT

The Indian government had an initial target of 20 GW capacity for 2022, which was achieved four years ahead of schedule. In 2015 the target was raised to 100 GW of solar capacity (including 40 GW from rooftop solar) by 2022, targeting an investment of US\$100 billion. India has established nearly 42 solar parks to make land available to the promoters of solar plants. In the decade ending 31 March 2020, India's installed solar power capacity stood at 34,627 MW.

Rooftop solar power accounts for 2.1 GW, of which 70% is industrial or commercial. In addition to its large-scale grid-connected solar photovoltaic (PV) initiative, India is developing off-grid solar power for local energy needs. Solar products have increasingly helped to meet rural needs.

The Company is engaged in the various projects wherein the Company has successfully installed solar panels for charging of batteries and PV ports. In addition, the Company is pioneer in manufacturing of solar invertors.

- a) **SOLAR HOME LIGHTING SYSTEM:** This system produces an enormous amount of energy from the sun and without any kind of pollution or other toxic wastes linked with fossil fuels. They require minimal amount of maintenance and once installed, they last for years and years.
- b) **INTEGRATED SOLAR STREET LIGHT:** It comes intelligent sensor control system, which helps in charging the battery. Intelligent control regulates the brightness depending on the PIR sensor and ensures that it gives light throughout the night.
- c) **PV PORT:** It is a standardized, portable, mass produced 2 KWP PV system with electrical storage for residential

applications (UPS and AC load). The electrical storage vary in capacity depending upon the application – ranging from 1 kWh lead-acid to 4.8 kWh Li-ion batteries.

4. LED SEGMENT:

SAARA LED flood lights are environmentally friendly and provide an artistic lighting effects experience and have manifold benefits to the customers.

- a) **LED STREET LIGHTS:** SAARA LEDs is featured with higher light uniformity, improved colour rendering and high colour temperature, allowing for wider coverage, can reduce the wattage of fixtures required in many outdoor applications. This significantly reduces the cost of energy, and allows for lower cost of ownership over the life of the system.
- b) **CANOPY LIGHT:** SAARA Canopy Light retrofit kits use the existing metal halide light fixture canopy mounting - no need to disrupt canopy seals during installation, eliminating potential roof leaks common with other canopy light retrofit procedures. It also provide all of the advantages of LED-based lighting versus metal halide lamps – much longer life, 70% less energy consumption and much better lighting characteristics – brighter light focused on fuel pump areas.
- c) **FLOOD LIGHT:** SAARA LED flood lights have low heat production and they don't contain any harmful elements like mercury or lead in them like traditional incandescent bulbs. These lights are energy efficient than traditional fluorescent and incandescent lights. The performance of these lights can be more than 85 lumen per watt of power utilized.
- d) **HIGHBAY LIGHT:** Large indoor space like manufacturing facilities, gymnasiums, warehouses, large department stores, factories, and more requires powerful lighting to provide the appropriate foot-candle levels to adequately illuminate, high bay lighting is usually appropriate.

IV. OPPORTUNITIES AND THREATS

LED is a reliable and energy-efficient source of lighting. LED lighting products have gained a prominent spot in the Indian lighting market, owing to their numerous benefits over older lighting technology. As the demand for a smart, connected lifestyle and energy-efficient products is increasing, the Indian LED lighting industry is also registering strong growth and is expected to grow tremendously even over the long term. The requirement of huge working capital for operating in the industry that is met by taking Guarantees (minimum term of 5 years) resulting in the increase of Long Term Liabilities/Contingent liabilities day by day. The Banks are unable to cater the requirements and match with the pace with which the orders/market demand for our product are increasing. To overcome the threats faced, our Company is planning to further introduce new range of our products as per up line growing demands of market.

The Company is centrally based in New Delhi with its plant located in Kundli Haryana, which gives a distinct locational advantage. The Company do direct sales to all the customers which means quicker deliveries and owning complete responsibility of our products.

With over 4 decades of experience, the Company has developed in depth ability to understand process related problems and fine tuning of the products to suit customer needs, which has carved a niche for the Company among all the customers.

V. RISKS AND CHALLENGES

The Company's ability to foresee and manage business risks is crucial in its efforts to achieve favourable results. While management is positive about the Company's long term outlook, it is subject to a few risks and uncertainties, as discussed below.

1) Economic Risk

Global economic and political factors that are beyond our control, influence forecasts and directly affect performance. These factors include interest rates, rates of economic growth, fiscal and monetary policies of governments, inflation, deflation, foreign exchange fluctuations, customers credit availability, fluctuations in commodities markets, customers debt levels, unemployment trends and other matters that influence customers confidence and spending. As your Company recently entered into domestic retail market, its revenues are highly dependent on customer's need for retail lightings solutions; an economic slowdown or other factors that affect the economic health of the nation or those retail industries, or any other impact on the growth of such industries, may affect your business.

2) Liability Risk

This risk refers to our liability arising from any damage to technology, equipment, office premises, life and third parties which may adversely affect our business. The Company attempts to mitigate this risk through contractual obligations and insurance policies.

3) Regulatory Risk

As your Company majorly deals in PSUs tenders, therefore if we are unable to obtain required approvals and licenses in a timely manner, our business and operations may be adversely affected. We require certain approvals, licenses, registrations and permissions for planting business operations in new locations. We may encounter delays in obtaining these requisite approvals, or may not be able to obtain such approvals at all, which may have an adverse effect on our revenues. However, the Government has come up with various scheme MSME sector and as all industry predictions suggest that this will be the trend in the future as well and given our own experience in obtaining

such permissions, we do not expect this risk to affect us materially in the coming years.

4) Labour risk

The timely availability of skilled and technical personnel is one of the key industry challenges.

The Company maintains healthy and motivating work environment through various measures. This has helped it recruit and retain skilled workforce and, in turn, achieve targets in time.

VI. FINANCIAL ANALYSIS

The Financial Performance with respect to operational performance of the Company is discussed in this Information Memorandum please refer page 121.

VII. HUMAN RESOURCES

Your Company has undertaken employee's development initiatives, which have very positive impact on the morale and team spirit of the employees. The Company has continued to give special attention to human resources and overall development. The company has also recruited highly qualified and skilled professionals, to help in the growth and functioning of the company. Your management feels proud to state that there were no instances of strikes, lockouts or any other action on part of the employees that affected the functioning of the Company. It is noteworthy that there is no Employee Union within the organization.

VIII. INTERNAL CONTROL SYSTEMS

Servotech maintains adequate internal control systems including internal financial control systems, which provide, among other things, reasonable assurance of recording the transactions of its operations in all material aspects. This system also protects against significant misuse or loss of Company assets. SPSL has a strong and independent internal audit function. The Internal Auditor reports directly to the Chairman of the Audit Committee.

Periodic audits by the professionally qualified, technical and financial personnel of the internal audit function ensure that the Company's internal control systems are adequate and are complied with.

IX. CAUTIONARY STATEMENT

The statements in the 'Management Discussion and Analysis' describing the Company's objectives, projections, estimates and expectations may be 'forward-looking statements' within the meaning applicable to securities laws and regulations. Actual results could differ materially from those expressed or implied. Important factors that could make a difference to the Company's operations include economic conditions affecting demand or supply and price conditions in the domestic and overseas markets, changes in the Government regulations, tax laws and other statutes and other incidental factors.

X. MATERIAL DEVELOPMENTS IN HUMAN RESOURCES AND INDUSTRIAL RELATIONS

Servotech continues to emphasize on capability building, keeping the future in mind. The Company has made rigorous efforts to ensure that employees can handle challenges of the future, while staying abreast with the knowledge in relation to their respective functional domain. It also focuses on providing opportunities to each employee to grow and utilise their complete potential.

Servotech believes in inspiring the employees to their highest potential and engaging them in cultural and festive activities. In FY 19-20, there were countless engagement activities on occasions of Diwali, Independence Day, Navratri, Women's day and Christmas Celebration, Month End Celebrations to name a few. Recognition and appreciation at the workplace go a long way in motivating the employees to work even harder and better.

Our Company values its relationship with its employees and ensures that each employee feels connected to the Company's objectives and shares the Company's broader vision to create stakeholders' value. Our Human Resource Team, guided by the Top Management relentlessly undertakes various people-centric activities to keep all our employees engaged and provide them with suitable opportunities.

XI. DISCLOSURE OF ACCOUNTING TREATMENT

The Company has followed all the treatments in the Financial Statements as per the prescribed Accounting Standards.

CORPORATE SUSTAINABILITY

COVID presented significant challenges for our people and our business. To succeed in this uncertain and highly dynamic environment, we needed to be agile and seize opportunities in a very short timeframe. We quickly adapted our business approach, mobilised our teams to put in a strong effort despite lockdown restrictions, besides leveraging technology and innovation to address the changing environment and the emerging needs of our consumers.

During the first wave of Covid-19 pandemic, Servotech took the initiative and launched various UVC products like UVC Disinfectant Lamp, Handheld device and Robotruk, which are used for sanitization of homes, office, hotels, restaurants and industries to support entire human community in carrying out its economic activity in a safe manner. In second wave, Servotech in its continuous endeavor to extend all possible help to the country, had introduced Oxygen Concentrators to serve the affected people. With surge in covid-19 cases and growing oxygen inadequacy this year, company resolved to launch Oxygen Concentrators to help more and more people having access to it.

Not only this, At Servotech, we believe that manufacturing is our national pride and strength. We follow the philosophy which is also accepted by the Confederation of All India Traders (CAIT) that comprises 60 million merchants across the country, it has embarked on a new campaign, 'Indian Goods – Our Pride'.

Our company was very much dependent on Chinese industry for supply of raw materials and other related components for our products, we pledged to move ahead in future, our aim is to shift our supplier base from Chinese markets to Indian markets while developing and upgrading Indian manufacturers in the same domain. During the current pandemic situation, our country is undergoing huge economic crises due to lack of equipments and other facilities to protect ourselves from the deadly virus. We are surrounded by the Chinese product even in these tough times may it be sanitizers, disinfectants etc. We realised the need of the hour and decided to become self-dependent and make our society free from Chinese disinfectants. We felt that this is the right time to take a definite step in this direction and align ourselves with the theme of "Atmnirbhar Bharat" or "Self-Reliant India". For this, we are engaging with various manufacturers within India for product development activities and are confident that we will become a Self-Reliant, Make-in-India organisation in near future.

We introducing the line of UVC technology, which can help us to fight against the virus and save many lives during the current pandemic situation. UVC technology has a long proven history of killing viruses, bacteria and pathogens present in the environment by destroying their DNA within seconds, without addition of chemicals and harmful side effects.

During the current pandemic situation, UV-C technology can help us to fight against the virus and save many lives. It has a long proven history of killing of the viruses, bacteria and pathogens present in the environment by destroying their DNA within seconds, without addition of chemicals, and harmful side effects.

Despite the challenges brought about by the COVID pandemic and the resultant nationwide lockdown, we moved forward on our commitments. We implemented a series of measures both within and outside our gates to reduce the impact of our business on the environment and also support sustainable development of communities. We donated Oxygen Concentrators to the maximum extent possible and are continue to be committed to stand with our communications

At Servotech, we are fully committed to performance excellence across all spheres of its business activities and more importantly giving back to the societies in which we operate. Largely all our products are manufactured that are based on solar energy. The focus areas for reporting the current year's performance include our business performance, environmental performance, customer and employee satisfaction and community service.

Our Sustainability Model

Our contribution to a more sustainable world covers every aspect of our business, from what we develop and how we manufacture to how we deliver. At Servotech, we feel that sustainability is about balancing environmental stewardship, economic growth and social responsibility.

1. ECONOMIC STEWARDSHIP

At Servotech, we aim to achieve environmental protection through the wise use of natural resources and technological innovation and to gear all business activities towards protecting and conserving nature. We endeavor to develop products which leave a minimal impact on environment. A step towards environmental sustainability, the Company has forayed into Solar Power Business which envisaged a

long term business opportunity. Solar panels are able to harness the energy from the sun and convert it to electricity, therefore, making it to an environment friendly resource.

SAARA-LED is a highly energy efficient lighting technology, and has the potential to fundamentally change the future of lighting of common households in India. Residential LEDs -especially ENERGY STAR rated products use at least 75% less energy, and last 25 times longer, than incandescent lighting.

In order to mitigate their impact of climate change, we are committed to reducing our absolute energy consumption and CO2 emissions, while adopting clean energy, recycling waste and working towards increasing bio-diversity by involving local communities. Therefore, we ensure that our operations are energy efficient and have low environmental impact.

2. ECONOMIC GROWTH

At Servotech, we continue to pursue a prudent growth strategy and have taken steps to effectively manage the emerging risks and challenges. Through business benefits, we provide the best plant and infrastructure to the employees for producing the best products, we also provide better mental and financial life to them and their families. Combating the tough economic environment, Servotech has

taken some prudent steps to control costs and improve its bottom line. Given the fluid market situation, Servotech has built greater flexibility in its manufacturing and has taken steps towards improving productivity, while keeping a strict eye on its environmental commitments.

3. SOCIAL RESPONSIBILITY

Our focus on social responsibility remains unwavering. Our community outreach initiatives have been developed keeping in mind the specific needs of the communities that we operate within. Our aim is to make a real, positive impact on the health of our Society, including our employees and the communities in which we operate.

Through all these and other initiatives, we look forward to continuing our investment in the communities we serve and to fulfilling our responsibilities as a responsible corporate citizen.

We view sustainability as an ongoing journey in our quest to be not merely a responsible compliant organisation, but a thoughtful-leader.

SERVOTECH CONTRIBUTES TO SOCIETY BY PROVIDING THE BEST GREEN ENERGY AND RENEWABLE PRODUCTS WITH 100% CUSTOMER SATISFACTION, WHICH HELPS IN REDUCING GLOBAL WARMING.

INDEPENDENT AUDITOR'S REPORT

To the Members of SERVOTECH POWER SYSTEMS LIMITED

Report on the Audit of Standalone Financial Statements

OPINION

We have audited the accompanying standalone Financial Statements of **SERVOTECH POWER SYSTEMS LIMITED** ('the Company'), which comprise the balance sheet as at 31st March, 2021, the statement of profit and loss and the Statement of Cash Flows for the year ended on 31st March, 2021 and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in the conformity with the accounting principles generally accepted in India, of the State of Affairs of the Company as at 31st March, 2021 and profit and total comprehensive income, Cash flows for the year ended on that date.

BASIS FOR OPINION

We conducted our audit of the Standalone Financial Statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the standalone Financial Statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Standalone Financial Statements.

OTHER INFORMATION

The Company's Management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's Annual Report, but does not include the Standalone Financial Statements and our Auditors' Report thereon.

Our opinion on the Standalone Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Standalone Financial Statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

MANAGEMENT'S RESPONSIBILITY FOR THE STANDALONE FINANCIAL STATEMENTS

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these Standalone Financial Statements that give a true and fair view of the financial position, financial performance and Cash Flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting

process.

AUDITOR'S RESPONSIBILITY

Our responsibility is to express an opinion on these Standalone Financial Statements based on our audit. We have taken into account the provisions of the Act, the Accounting and Auditing

Standards and matters which are required to be included in the Audit Report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Standalone Financial Statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the Standalone Financial Statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the Standalone Financial Statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the Standalone Financial Statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone Financial Statements.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "**Annexure A**" a statement on the matters specified in the paragraph 3 and 4 of the Order, to the extent applicable.

“ANNEXURE B” TO THE INDEPENDENT AUDITOR’S REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

Opinion

We have audited the internal financial controls over financial reporting of **SERVOTECH POWER SYSTEMS LIMITED** (‘the Company’) as of 31st March, 2021 in conjunction with our audit of the standalone Standalone Financial Statements of the Company for the year ended on that date.

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control. We are of the opinion that after designing and implementation of internal control system as per guidance note on audit of internal financial controls over financial reporting issued by ICAI will not substantially impact on our opinion on internal financial control system presently implemented in the company. The present system of internal financial control is effectively prevailing in the company.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013. The company is in process of designing internal financial control system as per guidance note on audit of internal financial control over financial reporting issued by ICAI.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit of financial records and documents even though the company is in process of designing and implementation of internal control financial system to the extent applicable to an audit of internal financial control as prescribed in guidance note on audit of internal financial control over financial reporting and accounting standards as issued by ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Standalone Financial Statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Standalone Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company’s assets that could have a material effect on the Standalone Financial Statements

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

NOTE 24 : CORPORATE SOCIAL RESPONSIBILITY

As per Provisions of section 135 of the Companies Act, 2013, the company has to incur at least 2% of average net profits of the preceding three financial years towards Corporate Social Responsibility (CSR). Accordingly, a CSR committee has been formed for carrying out CSR activities as per the Schedule VII of the Companies Act, 2013. The Company has contributed a sum of Rs. Nil (Previous year Rs. 51000/-) towards this cause and shown separately in this Statement of Profit & Loss.

NOTE 25 : CORPORATE INFORMATION , ACCOUNTING POLICIES, CONTINGENT LIABILITIES AND NOTES**1. CORPORATE INFORMATION:**

Servotech Power Systems Limited ("the Company") was incorporated on 24.09.2004 as a Private Limited Company and converted in to Public Limited Company domiciled in India on 24.05.2017. Its shares are listed on NSE SME platform. The company is primarily engaged in manufacturing of LED lights and Solar power products.

2. BASIS OF PREPARATION, MEASUREMENT AND SIGNIFICANT ACCOUNTING POLICIES:**(i) Basis of preparation of Financial Statements (AS1):**

The financial statements are prepared in accordance with the Generally Accepted Accounting Principles in India ('Indian GAAP') to comply with the Accounting Standards specified under Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014 and the relevant provisions of the Companies Act, 2013. The financial statements have been prepared under the historical cost convention on accrual basis. All amounts included in the financial statements are reported in absolute figures of Indian Rupees

(ii) Presentation and disclosure of financial statements:

During the year end 31st March, 2021, the Company has presented the financial statements as per the Schedule III notified under the Companies Act, 2013. The Company has also reclassified the previous figures years in accordance with the requirements applicable in the current year.

(iii) Use of estimates:

The preparation of financial statements requires management to make judgements, estimates and assumptions in the application of accounting policies that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, if any at the end of the reporting year. Although these estimates are based upon management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

(iv) Estimation of uncertainties relating to the global health pandemic from COVID-19 (COVID-19):

The COVID-19 pandemic is an evolving human tragedy declared a global pandemic by the World Health Organisation with adverse impact on economy and business. Supply Chain disruptions in India as a result of the outbreak started with restrictions on movement of goods, closure of borders etc., in several states followed by a nationwide lockdown from the 25th of March 2020 announced by the Indian Government and from March 2021 by various State Governments to stop the spread of COVID-19. The Indian farmers had started protest at Delhi Borders from 09th August 2020 for repeals of three farm bills passed by parliament. They had started protest at Delhi Boarders . Due to those events, the operation in plant of company at Kundli Haryana got temporarily disrupted. In light of these circumstances, the Company has considered the possible effects that may result from COVID-19 and Farmers agitation on the carrying amounts of financials assets, inventory, receivables, advances, property plant and equipment, Intangibles etc. as well as liabilities accrued. In developing the assumptions relating to the possible future uncertainties in the economic conditions because of this pandemic and Farmers agitation , the Company has used internal and external information such as term of current contracts, financial strength of the company, future volume estimates from the business etc. has been reviewed by the management. The production at its plant had suffered. Due to this manufacturing sales had declined from Rs. 4788 lacs to Rs.2315 lacs during the financial year 2020-2021. To full fill the supply obligation, the company had to procure goods as per required specification from outside parties. This had impacted on the profitability of the company. The company had added COVID related equipment (UVC Lights) in its supply chain. The underlying data and based on current estimates the Company was able to maintain its profitability and reduce the significant impact on liabilities accrued. The Company will continue to closely monitor any material changes to future economic conditions.

(v) Inventories (AS 2):

Inventories of materials including stores & spares, consumables, packing materials, components, work-in-progress, and finished goods are valued at the lower of cost and estimated net realizable value. Raw material was valued at cost (first in first out basis) or realizable value whichever is lower. Cost in case of work in progress is determined on the basis of the actual expenditure attributable to the said work till the end of the reporting period. Finished goods are value lower of cost or realizable value scrap are valued at net reasonable value.

(vi) Cash and Cash Equivalents (AS 3):

Cash and cash equivalents for the purpose of cash flow statement comprise cash at bank and in hand, cheques on hand and short-term investments with an original maturity of three months or less.

(vii) Revenue recognition (AS 9):

Revenue comprises sale of materials, service income and interest. Revenue is recognized to the extent it is probable that the economic benefits will flow to the Company and that the revenue can be reliably measured. The Company collects goods and service tax, as applicable on behalf of the government and therefore, these are not economic benefits flowing to the Company. Hence, they are excluded from revenue. The company had started making provision of late delivery charges as per terms of tenders /contracts. The deductions if any from past year supplied will be accounting for the year of settlement receipts of payments.

Sales:

Revenue from sale of goods/ services is recognized in the statement of profit and loss when the significant risks and rewards in respect of ownership of goods /services has been transferred to the buyer as per the terms of the respective sales order, and the income can be measured reliably and is expected to be received.

Interest income:

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the rate applicable.

(viii) Tangible Fixed Assets (AS 10):

Tangible Fixed assets are carried at cost of acquisition and other applicable costs less accumulated depreciation and accumulated impairment loss, if any. The cost of fixed assets includes cost of acquisition plus, any freight, taxes, duties and other incidental expenses that are directly attributable to bring the assets to their working conditions for their intended use.

When parts of the items of property, plant and equipment have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment. Subsequent expenditure relating to the property, plant and equipment is capitalized only when it is probable that future economic benefits associated with these will flow to the company and the cost of the item can be measured reliably.

Gain / loss arising from de-recognition / sale / disposal of fixed assets are measured as the difference between the net disposal / sale proceeds and the carrying amount of the assets and are recognized in the statement of profit or loss when the asset is de-recognized / disposed off.

No assets have been revalued during the year.

(ix) Foreign Exchange Transactions (AS 11):

The company has policy to recognize difference in foreign currency in relation to material in Statement of Profit & Loss and relating to Fixed Assets addition to Fixed Assets, however there was no purchase of fixed asset against which liability has been created in foreign currency. The company has transferred difference in foreign exchange to Statement of Profit & Loss, because those related to purchase and sale of material.

(x) Government grants and subsidies (AS 12):

Investments which are readily realizable and intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other investments are classified as long-term investments.

On initial recognition, all investments are measured at cost. The cost comprises purchase price and directly attributable acquisition charges such as brokerage, fees and duties. If an investment is acquired, or partly acquired, by the issue of shares or other securities, the acquisition cost is the fair value of the securities issued.

Current investments are carried in the financial statements at lower of cost and fair value determined on an individual investment basis. Long-term investments are carried at cost. On disposal of an investment, if any, the difference between its carrying amount and net disposal proceeds is charged or credited to the statement of profit and loss..

(xi) Investments (AS 13):

Investments which are readily realisable and intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other investments are classified as long-term investments.

On initial recognition, all investments are measured at cost. The cost comprises purchase price and directly attributable acquisition charges such as brokerage, fees and duties. If an investment is acquired, or partly acquired, by the issue of shares or other securities, the acquisition cost is the fair value of the securities issued.

Current investments are carried in the financial statements at lower of cost and fair value determined on an individual investment basis. Long-term investments are carried at cost. On disposal of an investment, if any, the difference between its carrying amount and net disposal proceeds is charged or credited to the statement of profit and loss.

(xii) Retirement and other Employee benefits (AS 15):

Defined contributions to Provident Fund are charged to the statement of Profit & Loss of the year, when the employee renders the related service. There are no other obligations other than the contribution payable to the respective statutory authorities.

The company had paid Rs. 175673 as gratuity i.e. retirement benefits to its employee during the year however no certificate of actuarial valuation has been obtained. Other retirement benefits will be accounted for as and when paid. The company had not made any provision of gratuity and other retiring benefits to its employees. The same will be accounted for as and when paid

(xiii) Borrowing Costs (AS 16)

Loan processing charges paid to bank for working facilities have been charged to revenue account since the same are not attributable to the acquisition of qualifying assets as per the requirements of AS 16. Borrowing cost primarily includes interest and amortization of ancillary costs incurred in connection with the arrangement of borrowings.

(xiv) Segment Reporting (AS 17):

A business segment is a distinguishable component of an enterprise that is engaged in providing an individual product or service or a group of related products or services and that is subject to risks and returns that are different from those of other business segments. Factors that should be considered in determining whether products or services are related include:

- (a) the nature of the products or services;
- (b) the nature of the production processes;
- (c) the type or class of customers for the products or services; Segment Reporting
- (d) the methods used to distribute the products or provide the services; and

(xv) Operating leases (AS 19):

Where the Company is a lessee

Leases where the lessor effectively retains substantially all the risks and benefits of ownership of the leased item are classified as operating leases. Operating lease payments are recognized as an expense in the statement of profit and loss on the basis of the lease (Rent Agreements). Initial direct costs such as legal costs, brokerage costs, etc. if any, are recognized immediately in the Statement of Profit and Loss.

Where the Company is a lessor

Rental income from operating lease is recognized on a straight-line basis over the term of the relevant lease except where another systematic basis is more representative of the time pattern of the benefit derived from the asset given on lease.; or the payments to the lessor are structured to increase inline with expected general inflation to compensate for the lessor's expected inflationary cost increases.

(xvi) Earning/(loss) per share (AS 20):

Basic earnings / (loss) per share is computed by dividing the net profit / (loss) for the period attributable to equity shareholders of the Company by the weighted average number of equity shares outstanding during the period.

The weighted average number of equity shares outstanding during the period are adjusted for any bonus shares issued during the year and also after the balance sheet date but before the date the financial statements are approved by the board of directors for the purpose of calculating diluted earnings / (loss) per share. The net profit / (loss) for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

The number of equity shares and potentially dilutive equity shares are adjusted for bonus shares as appropriate. The dilutive potential equity shares are adjusted for the proceeds receivable, had the shares been issued at fair value. Dilutive potential equity shares are deemed converted as of the beginning of the period, unless issued at a later date.

(xvii) Taxation (AS 22):

Tax expense comprises current and deferred tax. Current income-tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income-tax Act, 1961 enacted in India. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Deferred income taxes reflect the impact of timing differences between taxable income and accounting income originating during the current year and reversal of timing differences for the earlier years. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted at the reporting date.

Deferred tax liabilities are recognized for all taxable timing differences. Deferred tax assets are recognized for deductible timing differences only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. In situations where the Company has unabsorbed depreciation or carry forward tax losses, all deferred tax assets are recognized only if there is virtual certainty supported by convincing evidence that they can be realized against future taxable profits.

At each reporting date, the Company re-assesses unrecognized deferred tax assets. It recognizes unrecognized deferred tax asset to the extent that it has become reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which such deferred tax assets can be realized. The carrying amount of deferred tax assets are reviewed at each reporting date. The Company writes-down the carrying amount of deferred tax asset to the extent that it is no longer reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which deferred tax asset can be realized. Any such write down is reversed to the extent that it becomes reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available.

Deferred tax assets and deferred tax liabilities are offset, if a legally enforceable right exists to set-off current tax assets against current tax liabilities and the deferred tax assets and deferred taxes relate to the same taxable entity and the same taxation authority.

Minimum alternate tax (MAT) paid in a year is charged to the Statement of Profit and Loss as current tax. The Company recognizes MAT credit available as an asset only to the extent that there is convincing evidence that the Company will pay normal income tax during the specified period, i.e., the period for which MAT credit is allowed to be carried forward. In the year in which the Company recognizes MAT credit as an asset in accordance with the Guidance Note on Accounting for Credit Available in respect of Minimum Alternative Tax under the Income-tax Act, 1961, the said asset is created by way of credit to the statement of profit and loss and shown as "MAT credit entitlement." The Company reviews the "MAT credit entitlement" asset at each reporting date and writes down the asset to the extent the Company does not have convincing evidence that it will pay normal tax during the specified period in future. Separate and detailed calculation of Deferred tax is appended in Note No.-25 4(B) to these notes. During the F.Y. 2020-2021, the provisions of ICDS under the Income Tax Act, 1961 have been applicable to the Company and hence the provisions of Current tax have been made after considering the effects of ICDS wherever applicable. ICDS are not to be considered for maintaining the books of accounts and preparation of Financial statements.

(xviii) Impairment of tangible and Intangible Assets (AS 28):

As per the estimates made by the management and as per the various assessments made by the management, there were no indicators whether internal or external (as provided in para 8 of AS 28) which has led to the impairment loss to any assets. Since there are no such indicators which suggest that the net value of the assets would fall significantly by passage of time and normal use, the company has not provided for any impairment loss for any assets during the current financial period. The company has chosen the "value in use" technic and as per the measurement of future cash flow, the management is of the opinion that the future cash flow and the terminal value of the assets would not be significantly less than the carrying value and hence no impairment for any assets has been provided for in the financial statements.

In the opinion of the Board of Directors and to the best of their knowledge and belief the aggregate value of the current assets, loans and advances on realization in the ordinary course of business, will not be less than the amount at which they are stated in the Balance Sheet.

(xix) Provisions and contingent liabilities, Contingent assets (AS 29):

A provision is recognized when the Company has a present obligation as a result of past events; it is probable that an outflow of resources will be required to settle the obligation and in respect of which a reliable estimate can be made of the amount of obligation. Provisions are not discounted to their present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These estimates are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

Provisions of various expenses are recognized in the financial statements since there exists present obligations as a result of event and the expenses are accrued and incurred during the year.

The opening balance of provisions is used during the year against the payments during the year. The closing balances of provisions are the expenses accrued during the year and provided.

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably.

The Company does not recognize a contingent liability but discloses its existence in the financial statements unless the possibility of an outflow is remote. A contingent asset is not recognized in the Financial statements and hence not disclosed..

EXPLANATORY STATEMENT PURSUANT TO SECTION 102 (1) OF THE COMPANIES ACT, 2013**ITEM NO. 3**

Mr. Raman Bhatia was appointed as Managing Director by way of a Special Resolution passed by the Members at Extra-Ordinary General Meeting held on 6th June, 2017 with effect from 2nd June 2017, for period of 5 (five) years upto 1st June, 2022 including the remuneration to be paid to Mr. Raman Bhatia, Managing Director.

The Managing Director has provided dedicated and meritorious services and significant contribution to the overall growth of the Company. Therefore the Board is of the view that the existing upper limit remuneration in respect of Managing Director of the Company may not be sufficient enough to pay the increased remuneration over a period of remaining term, therefore the approval of the members of the Company is sought for revision in the maximum limit of remuneration as provided in the Resolution no. 3 as minimum remuneration for the remaining period of his appointment, in case of inadequacy or absence of profits.

Mr. Bhatia satisfies all the conditions set out in Section 196 of the Companies Act, 2013 ("Act") and Part-I of Schedule V to the Act for being eligible for his appointment. He is not disqualified from being appointed as Director in terms of Section 164 of the Act. After the appointment of Mr. Bhatia on the Board, He has attended all the Board Meeting(s) held after his appointment as Managing Director.

This explanatory statement may also be read and treated as disclosure in compliance with the requirements of Section 190 of the Act. Details of Mr. Bhatia are provided in the "Annexure" to the Notice pursuant to the provisions of the Listing Regulations and SS-2 issued by the ICSI.

The details of remuneration payable to Mr. Bhatia are given below:

1	Gross Remuneration	Gross Annual Remuneration in the scale from Rs. 30,00,000/- p.a. to Rs. 48,00,000/- p.a. with such increments as may be decided by the Board of Directors (hereinafter referred to as "the Board" which term shall also be deemed to include the Nomination and Remuneration Committee and/or any other-subcommittee thereof constituted by the Board) within the scale from time to time during his tenure whether paid as salary and/or allowance(s) or a combination thereof
---	--------------------	---

2	Perquisites	The perquisites shall be paid as per the Rules of the Company in accordance with the provisions of the Income Tax Act, 1961
3	Commission	Commission, if any, shall be paid over and above the total remuneration as mentioned hereinabove based on the net profits of the Company, computed in accordance with the provisions of the Act, in a particular financial year as may be determined by the Board.

The Board, therefore, recommends the Special Resolution at Item No. 3 of the Notice for approval by the Members.

Except Ms. Sarika Bhatia (Spouse of Mr. Bhatia) and Mr. Bhatia himself, none of the Directors and Key Managerial Personnel of the Company or their relatives is concerned or interested, financially or otherwise in the resolution set out at Item no. 3 of this Notice.
