SERVOTECH OBTAINS PROJECT FROM SMILE FOUNDATION TO PROVIDE SIZEABLE CONSIGNMENT OF OXYGEN CONCENTRATORS

New Delhi: With a strong inclination and commitment to extend its unconditional support by contributing towards the cause of precautionary preparedness during the presently unfolding Covid crisis, **Servotech Power Systems Limited** obtained an order for providing a sizeable consignment of its medical-grade **Oxygen Concentrators** by **Smile Foundation**, a national NGO engaged in the service of welfare and wellbeing of over **15 lakh children** and their families through various on-ground projects and initiatives. The acquired project worth over 2.5 Crore entails the end-to-end facilitation of rigorous functionality testing & inspection, processing, dispatch and delivery of the required number of Oxygen Concentrators swiftly.

Being a credible and reliable Company with offerings ranging from life-saving medical devices to healthcare disinfection devices, Servotech intends to be at the forefront to assist the organization in ensuring adequate buffer stock of medical Oxygen generating devices in order to strengthen the readiness of the rapid response teams to carry out immediate rescue and critical-care operations.

Servotech as part of its commitment to bridge the demand-supply gap for concentrated Oxygen during the second wave of COVID-19 in 2021, acted as one of the major providers of Oxygen Concentrators to a large number of clinics, hospitals and households and yet again is scaling up its production capacity aggressively to ensure timely delivery of these life-saving devices.
