

**MAKE YOUR HOME
MUCH SAFER & STERILIZED
WITH UV DISINFECTION**

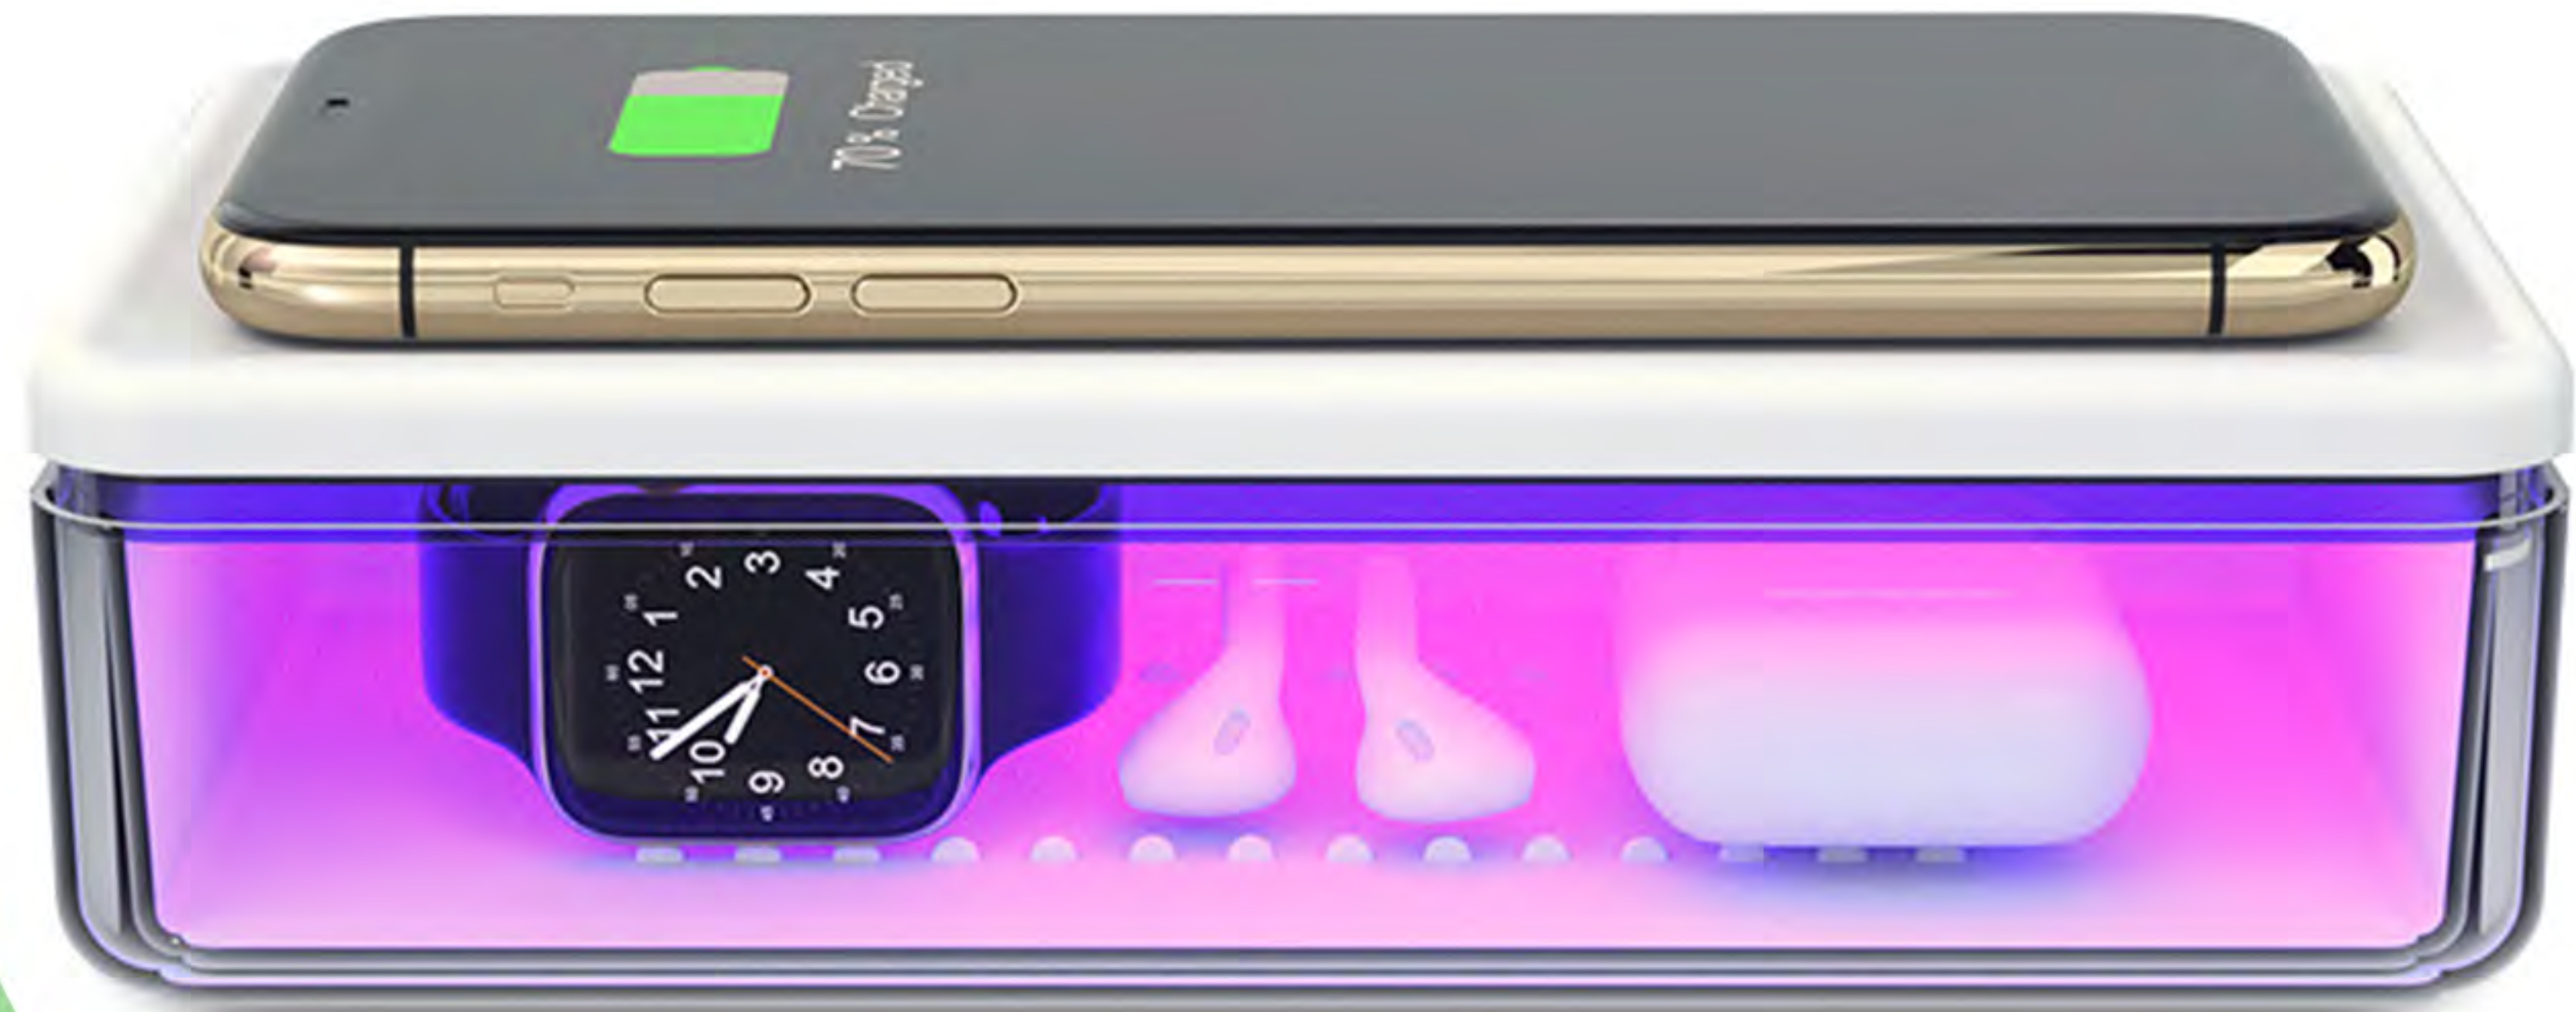

ABOUT SERVOTECH

We are a leading Manufacturer of LED lights and Solar Home Lightning Products in India. We have been in business since 2004 and have supplied products mainly into India. We are a Delhi based company having 80000 sq. feet manufacturing plant situated in Kundli Industrial area in Haryana. The company has an employee strength of more than 150 employees, including workers and academic professionals of which thirteen are R&D experts.

We have a complete testing lab for all types of LED lights and Solar PV components. Our products are ISO 9001:2008, ISO 14001, CE & BIS certified to supply a consistent quality in our products.

Our philosophy is to improve the life of people with our products and to support a healthy ecosystem. We currently produce LED Lights & Solar home system products mainly for India with production capacity of 1.6 Million systems/annum. In order to support the Government of India and Government of Germany cooperation, we produce PV Port & Store with an annual quantity of 250 for GlZ India and their partners in the Ministry of Skills and Education, Ministry of New and Renewable Energy.

STERILIZATION BOX

PRODUCT DESCRIPTION:

ServControl UV-C Sterilization Box makes it possible to destroy more than 99.9% of bacteria and viruses with multifunctional wireless charger abound without the use of chemicals, not causing secondary pollution, thus protecting your family with the innovation of UV-C Sterilization Box.

TECHNICAL SPECIFICATION:

Input Voltage: 5V/2A

Wireless Output: 5W, 7.5W, 10W

Product Size (Shape) : 53*114*196 mm

UV LED: 9 Pcs

Net Weight : 308 G

Material: PC + ABS

FEATURES OF STERILIZATION BOX

▶ SEEMLESS DISINFECTION

Tap once to disinfect for 1 minute, long press to select for 5 minutes for disinfection.

▶ INBUILT INDUCTION SENSOR

Built-in induction sensor, intelligently stop disinfection function after opening the cover to prevent ultraviolet rays from directly irradiating the skin.
