Servotech Power Systems appoints B. Tripathi Patro as Senior Vice President – Operations

New Delhi, 10 Apr 2023: Servotech Power Systems Ltd., a leading player in the solar, EV charging and green power solutions space, announced the appointment of B. Tripathi Patro as Senior Vice President - Operations. His appointment is one of the strategic steps that will help the company to achieve new benchmarks.

Patro will be leading all the operations of the Servotech's manufacturing plant at Sonipat. Also, mentor staff members, ensure customer service performance, lead a cohesive team of senior managers in operations with consistent employee engagement across levels. Implementation & development of annual operating plans to ensure increased revenue & profits, considering cross-functional and digitization initiatives to strengthen the business will also become core responsibilities of his work profile.

Patro comprehends 33 years of rich experience across the Solar and Power Industry in sales, servicing, manufacturing, plant operations, training, quality assurance, Integrated Management Systems ,greenfield projects etc. Prior to his arrival at Servotech, he was in charge as Director - Li-Ion Operations at UTL Solar, CEO at Max Pacific Corporation, Head-Product Development & Certification Lab at Microtek International, General Manager - Plant Operations at Fuji Electric Chennai Plant , Operations Head at Emerson Network Power (Vertiv) and Vice President at Numeric India (A Group Brand Legrand). After B.Tech in ECE, he did MBA from Pondicherry University and the Senior Management Programme from IIM, Calcutta. He is passionate about process excellence and gold medallist in QMS LA course. He has successfully completed the IRCA certified Lead Auditor (LA) course for QMS, EMS, OSHAS & ISMS.

Talking about his new role, Patro said, I am very excited joining the team Servotech, there is enough opportunity to contribute here as we have high ambitious goals and he will be a catalyst in the transformation of the manufacturing with kaizen based lean manufacturing, zero defect products, on-time and in-tact deliveries to enhance the customer satisfaction. As a transformational coach I will build a winning team with the 4 important mantras (Founder mindset, Customer first, Quality first & Team first) so that the brand "SERVOTECH" will be most coveted brand in the world.
