

PRESS RELEASE

New Delhi, 25th July 2024

Servotech received additional order of Approx. 400 Units of DC Fast EV Chargers from BPCL & other OEMs

New Delhi, 25th July 2024: Servotech Power Systems Ltd., a leading manufacturer of EV chargers and solar solutions has received an additional order of approx. **400 units of DC Fast EV Chargers** from **Bharat Petroleum Corporation Limited (BPCL) and other EV charger OEMs**. The project valued at around **₹20 Crores** will involve manufacturing, supplying, installing, and deploying these chargers nationwide, particularly at BPCL petrol pumps as part of the BPCL E-drive Project.

Previously, the company received an order for 1800 DC Fast EV chargers from BPCL and other EV charger OEMs valued at 120 Crs. which they have now increased by 20%. This increase comes as a result of the company's timely deliveries and consistent performance. Servotech has already completed 35% of the dispatches on time and has met 100% of their requirements as per their plan. Seeing our commitment and efficiency and as a matter of praising Servotech's commitment BPCL has given this order to the company.

Sarika Bhatia, Director, Servotech Power Systems Ltd. commented, Servotech feels extremely elated to have worked for BPCL and is committed to living up to the trust BPCL has placed in us. Time and again we have showcased our manufacturing capabilities with our production team relentlessly working keeping a strong focus on delivering exceptional products in-house. We will continue to maintain the highest standards of service and operational efficiency, setting new benchmarks in the industry. Our eco-conscious and top-notch EV chargers are catering to the growing demand for sustainable EV charging solutions across India, increasing the accessibility, affordability and availability of EV charging facilities to a wider demographic of EV users.
