### **Servotech Power Systems Empowers Consumers with Subsidized Solar Solutions, Enrolled with 62 DISCOMs under PM Surya Ghar Muft Bijli Yojana**

**New Delhi, 27th August '24:** Servotech Power Systems Ltd., a leading manufacturer of solar solutions and EV chargers, has expanded its reach significantly by enrolling with 62 DISCOMs across India under **the Pradhan Mantri-Surya Ghar Mufti Bijli Yojana**. This strategic move not only solidifies Servotech's position in the renewable energy sector but also directly benefits consumers by enabling them to avail government subsidies when purchasing solar solutions from the company.

The PM Surya Ghar Muft Bijli Yojana, aimed at solarizing households and promoting green growth, has received tremendous traction, with over 1.28 crores registrations and 14 lakh applications. Servotech's enrollment with DISCOMs under this scheme will further amplify its impact by making sustainable energy solutions more accessible and affordable for a wider audience.

"We are thrilled to partner with DISCOMs and contribute to the government's vision of a solar-powered India," said **Sarika Bhatia, Director Sales, Servotech Power Systems Ltd.** "This enrolment allows us to leverage our expertise in solar solutions to empower individuals and communities to embrace clean energy, reduce their carbon footprint, and achieve long-term cost savings. The overwhelming response to the PM Surya Ghar Muft Bijli Yojana is a testament to the nation's growing awareness and commitment to sustainable practices. We are proud to be at the forefront of this transformative journey", added **Sarika Bhatia**.

Servotech's extensive range of high-quality solar solutions, coupled with its commitment to innovation and customer satisfaction, positions it as a trusted partner for individuals and businesses seeking to transition to renewable
