New Delhi, 5th May 2025

Servotech Renewable Power System Ltd. Appoints Errol Musk to Global Advisory Board

New Delhi, 5th May 2025: Servotech Renewable Power System Ltd (NSE: SERVOTECH), India's leading innovator in renewable energy, smart power solutions and EV Chargers, is proud to announce the appointment of distinguished entrepreneur and global business strategist **Errol Musk** to its **Global Advisory Board**.

Under this landmark partnership, Musk will play a pivotal role in advancing Servotech's strategic vision for global growth, sustainability leadership, and AI-driven innovation. His appointment aligns with Servotech's ambitious "**Vision 2027**" goal to transform the renewable energy landscape across India and key international markets.

Errol Musk, renowned for his contributions to the fields of technology, infrastructure, and sustainable development, will provide strategic advisory support to Servotech's leadership team. His mandate includes guiding high-impact media engagement, investor relations, and government interface programs.

As part of his engagement, Mr. Musk will:

- Participate in a tour of Servotech's manufacturing facilities in India.
- Engage with key government and investor groups through curated roundtable sessions.
- Attend quarterly Global Advisory Board meetings.
- Contribute to media activations and press interactions highlighting Servotech's innovation leadership.
- Promote Servotech across his official social media platforms.

This press release contains “forward- looking statements” that is, statements related to future, not past, events. In this context, forward-looking statements often address our expected future business and financial performance, and often contain words such as “expects,” “anticipates,” “intends,” “plans,” “believes,” “seeks,” “should” or “will.” Forward-looking statements by their nature address matters that are to different degrees, uncertain. For us, uncertainties arise from the behavior of financial, software and real estate industry, from future integration of businesses; and from numerous other matters of national, regional and global scale, including those of a political, economic, business, competitive or regulatory nature. These uncertainties may cause our actual future results to be materially different from those expressed in our forward-looking statements. We do not undertake to update our forward-looking statements.
